Yo, Juan Suárez Morales, Secretario del Senado Académico de Mayagüez, CERTIFICO

Que en reunión celebrada por este organismo el día 28 de enero de 1966 se acordó endosar las recomendaciones del Consejo Graduado sobre Enmiendas a las Normas que gobiernan los Estudios Graduados en este Recinto, según rezan a continuación:

1. Modificar la Sección D - "Admission on Senior Graduate Basis" (Pág. 3), para que lea:

"Seniors in the College of Agriculture and Mechanic Arts within 24 credits of graduation, who have earned a general grade-index of 3.00 or better and who can otherwise meet all requirements for admission to Graduate Studies on full standing may be admitted under this category. The student may enroll for two semesters in this status and may carry up to 6 credits of graduate work during that time. He will receive graduate credit only if he completes the requirements for the bachelor's degree at the end of the year during which he is so enrolled, and said credits are not counted toward his bachelor's degree."

2. Añadir la siguiente oración al final del párrafo "Hours of Credit" (Pág. 5)

"No graduate credit will be earned if admission to Graduate Studies has not been granted by the Graduate Council."

3. Cambiar totalmente la sección titulada "Language Requirements" (Pág. 6) para que lea como sigue:

"Reading knowledge of a foreign language, determined by the major department and the appropriate graduate study group committee, may be required of candidates for the master's degree.

The language examination, given twice a year in March and October, is administered by the Section of Modern Languages in the Department of Humanities.

Students who are required a foreign language must pass the corresponding examination before advancement to candidacy.

For specific requirements see departmental statements on courses."
