**AMENDMENT NO. 3
61-3135
To the Subagreement
Between
Michigan State University
Agricultural Experiment Station (EAS) University of Puerto Rico**

The Subagreement No. 61-3135 dated September 30, 2002 between Michigan State University and (AES) University of Puerto Rico for the LAC5-A1 component of the Bean/Cowpea CRSP Latin America and Caribbean regional project, "Genetic Improvement of Beans for the Lowland of LAC," under Prime Grant No. GDG-G-00-02-00012-00, is amended in part as follows:

Article V. Compensation. Delete the amounts and substitute in lieu thereof the following

MSU obligates the amount of: **\$314,457.68**
As partial funding of the total estimated amount.

The obligated funds are to be used towards the completion of research and training activities as established in the Bean/Cowpea CRSP Board approved workplan and regional budget for component LAC-6, FY 2005, subcontracted with the Agricultural Experiment Station at the University of Puerto Rico. Component workplans can be accessed from the Bean/Cowpea CRSP website at: <http://www.isp.msu.edu/crsp/>

Advance of funds is: **\$0.00**

Because this subagreement is incrementally funded, funds obligated hereunder are only anticipated to be sufficient for project expenditures through approximately April 30, 2005.

All other terms and conditions of this Subagreement will remain unchanged.
